With faith and grace, we are called to Know God, Show Jesus' Love,  
and Grow in Christ.

Dear Church Family,

As you take some time to review and pray over the 2024 Church Financial Goals and your personal commitment to Mechanicsville United Methodist Church, please remember that these gifts are to the MINISTRY of the church.

When you give **monetarily** to the church you are helping to advance God's work at MUMC in very real and personal ways. It helps to support our children's ministry by allowing our children to hear about God's love through programs like Kids Crew. It gives our youth the opportunity to learn and develop the skills to live their lives the way Jesus taught through scripture. It helps adult believers grow in their faith and become followers of Jesus Christ through our Small Group Ministry.

When you give of your **time** to serve others, the impact you leave on another's life is immeasurable. Consider serving our younger people by helping with Kids Crew or going on an adventure with our Youth. Serving others advances the Kingdom of God, and He is calling you to be His ambassador.

Most of us do not recognize our **talents**, but we do have them. Find a place to share your talents with our church, maybe a leadership role, a worship leader, cooking Wednesday night dinner or perhaps you play a musical instrument

Your contributions of **money, time** and **talents** will change lives.

Your Sister in Christ,  
Dana Walker  
MUMC Finance Chair
